MEGA JOB FAIR - 2025, VISTAS (under NAAN MUDHALVAN project)

The Mega Job Fair organized at Vels Institute of Science, Technology & Advanced Studies (VISTAS) was a grand success, bringing together talent, recruiters, and academic institutions from across Tamil Nadu. More than 110 colleges participated in the event, with over 1200 students, including VISTAS students, attending the recruitment drive. A total of 51 reputed companies participated, offering career opportunities in various domains. Nearly 76 HR professionals were present on campus to coordinate the pre-selection and post-selection processes smoothly.

Student volunteers from VISTAS played a major role in organizing and managing the event efficiently, while the department staff placement coordinators actively supported the entire recruitment process. The event created a vibrant and professional atmosphere that reflected the institution's commitment to student career development and industry collaboration. One of the key highlights of the Mega Job Fair was the issuance of 250+ job offers to deserving candidates, making the event a remarkable milestone for VISTAS.
