VISION AND MISSION OF INSTITUTION

Vision:

To make the Institute an epitome of excellence in higher education by effectively providing high quality education and rigorous training to students in multiple streams of choice with ample scope for all round development to make them excel in their profession for betterment of the society.

Mission:

M1. Effectively imparting knowledge and inculcating innovative thinking.

M2. Facilitating skill enhancement through add on courses and hands on training.

M3. Doing original, socially relevant, high-quality research.

M4. Instilling the spirit of integrity, equity, professional ethics and social harmony.

VISION AND MISSION OF NATIONAL SERVICE SCHEME

Vision:

To build the youth with the mind and spirit to serve the societyand work for the social uplift of the down-trodden masses of our nation as amovement.

Mission:

The National Service Scheme has been functioning with the motto “NOT ME BUT YOU” in view of making the youth inspired in service of the people and hence NSS Aims Education through Community Service and Community Service through Education.

INTRODUCTION NSS PROGRMMES AND ACTIVITIES

The National Service Scheme was started to establish a meaningful linkage between the campus and the community. Mahatma Gandhi, the Father of the Nation, had recognized that the country could not progress in a desired direction until the student youth were motivated to work for the upliftment of the villages/community. For Gandhiji the villages, where majority of the population lived, represent the country i.e. India. Therefore, for the national reconstruction and national resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community. Therefore, student youth, teachers and the community are considered the three basic components of the National Service Scheme.

SYMBOL OF NSS

The symbol for the NSS has been based on the giant Rath Wheel of the world-famous Konark Sun Temple (The Black Pagoda) situated in Odisha, India. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space, the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represents 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and uplift.

OBJECTIVES OF NSS

- ☞ Understand the community in which they work.
- ☞ Understand themselves in relation to their community.
- ☞ Identify the needs and problems of the community and involve them inproblem solving process.
- ☞ Develop among themselves a sense of social and civic responsibility.
- ☞ Utilize their knowledge in finding practical solution to individual andcommunity problems.
- ☞ Develop competence required for group living and sharing ofresponsibilities.
- ☞ Gain skills in mobilizing community participation.
- ☞ Acquire leadership qualities and democratic attitude.
- ☞ Develop capacity to meet emergencies and natural disasters
- ☞ Practice National integration and social harmony.

AIMS OF NSS PROGRAMMES/ACTIVITIES

The operational aim of NSS is to integrate the three basic components of the programme. NSS programme should provide a variety of learning experiences which must develop a sense of participation, service, and achievement among the volunteers. The activities should aim at the following: -

i. Making education more relevant to the present situation to meet the felt needs of the community and supplement the education of the university/college students by bringing them face to face with the rural situation;

ii. Providing opportunities to the students to play their role in planning and executing development projects which would not only help in creating durable community assets in rural areas and urban slums but also results in the improvement of quality of life of the economically and socially weaker sections of the community;

iii. Encouraging students and non-students to work together along with the adults in rural areas; (iv) Developing qualities of leadership by discovering the latent potential among the campers, both students as well as local youth (Rural and Urban), with a view to involve them more intimately in the development programme and also to ensure proper maintenance of the assets created during the camps;

iv. Emphasizing dignity of labour and self-help and the need for combining physical work with intellectual pursuits;

v. Encouraging youth to participate enthusiastically in the process of national development and promote national integration, through corporate living and cooperative action. While undertaking these activities, each NSS unit should envisage its programmes/activities aimed at instilling discipline, building character, promotion of physical fitness and development of culture.

CLASSIFICATION OF NSS PROGRAMME

i. Regular NSS Activity: Under this, students undertake various programmes in the adopted villages, college/school campuses and urban slums during weekends or after college hours;

ii. Special Camping Programme: Under this, camps of 10 days duration are organised in adopted villages or urban slums during vacations with some specific projects by involving local communities. 50% NSS volunteers are expected to participate in these camps.

VISTAS NSS cell and Exnora International,launched a community-driven cleanup at **Keelkatlai Lake** near Pallavaram. The drive was part of Exnora's ongoing Water-Body Rejuvenation Program, which follows a four-step model: assessment, planning, implementation, and maintenance.

The key outcomes

- Waste removal: waste and garbage were cleared, including plastic bottles etc.
- Weed control: Manual de-weeding, focusing on the western periphery and southern boundary.
- Tree planting: Saplings were planted along the bunds to enhance green cover and stabilize soil.
- A short awareness session highlighted proper waste segregation and the lake's role in groundwater recharge.
- Participants signed a pledge card committing to monthly clean-ups and discouraging littering.

Activity description:

Raising Traffic Pollution Awareness among Kovilambakkam Residents with Support from the NSS Convener.To effectively promote awareness of traffic pollution among residents in the Kovilambakkam area, the NSS (National Service Scheme) volunteer team and NSS officer can undertake the following activities: Volunteers can organize short plays or skits in public areas like markets, parks, and bus stops to educate people about the causes and effects of traffic pollution. Hold interactive sessions where NSS volunteers can address the public, highlighting the risks of traffic pollution on health and the environment. Volunteers can visit homes in the area to distribute leaflets and provide brief explanations on how residents can contribute to reducing traffic pollution. Conduct workshops for students, encouraging them to become ambassadors for cleaner air and share information with their families. Arrange seminars or discussion sessions with local resident son understanding the harmful effects of traffic.pollution and ways to mitigate it. In partnership with local authorities, volunteers can organize events that promote better traffic management, carpooling, and the use of public transport. Propose ideas like installing pollution monitors or enforcing emission checks for vehicles. Encourage residents to use bicycles or walk short distances. Volunteers can organize a cycle rally to promote non-motorized transportation options. Promote the use of public transport, carpooling, and electric vehicles through campaigns and displays in public areas. Organize tree planting activities in Kovilambakkam to reduce pollution and enhance green cover. Advocate for converting busy traffic areas into more pedestrian-friendly zones with greener spaces.NSS volunteers can run online awareness campaigns through social media platforms like Whats App, Face book, and Instagram to reach a wider audience. Sharing short videos, info graphics, and facts about traffic pollution can help amplify the message.

Students eagerly participated the traffic awareness Event.

Volunteers address the importance of traffic awareness to the people.

Activity description:

The National Service Scheme (NSS) Cell of Vels Institute of Science, Technology and Advanced Studies (VISTAS) proudly celebrated the 78th Independence Day on 15th August 2024 at the VISTAS campus. The celebration aimed to honor the spirit of patriotism and pay tribute to the freedom fighters who contributed to India's independence.

The event commenced with the hoisting of the national flag, followed by the singing of the national anthem. Cultural performances by students added vibrancy to the occasion, showcasing themes of unity, diversity, and national pride. A special address highlighting the significance of Independence Day and the responsibilities of youth in nation-building inspired all participants.

NSS volunteers played an active role in organizing the event, ensuring smooth coordination and active participation from students and faculty members. The program concluded with a vote of thanks and the distribution of refreshments to all attendees.

Name oftheevent:		Tree planting in Thiruneermalai Town Panchayat Office.
Date of the event	:	02-09-2024
Venue	:	Thiruneermalai
Beneficiary	:	Thiruneermalai people&school students

No of student volunteers:195

Activity description:

To promote environmental awareness and contribute to a greener community, the NSS (National Service Scheme) volunteer team and NSS officer organized a **Tree Plantation Drive** in the Thiruneermalai area. The event aimed to increase green cover, enhance air quality, and encourage residents to take an active role in environmental conservation.NSS volunteers, along with local residents and students, participated enthusiastically in planting saplings across key locations such as roadsides, parks, and public spaces. Volunteers explained the importance of trees in maintaining ecological balance and encouraged the public to take responsibility for nurturing the planted saplings.Workshops were also conducted in nearby schools to motivate students to become “Green Ambassadors” and care for the environment. Leaflets highlighting the benefits of tree planting—such as reducing pollution, providing shade, and conserving biodiversity—were distributed among residents.In collaboration with local authorities, suitable areas were identified for planting native tree species that can thrive in the local climate. NSS volunteers also pledged to monitor and water the saplings regularly to ensure their growth and survival.Through this initiative, the NSS team aims to **create a cleaner, greener, and more sustainable Thiruneermalai**, inspiring the community to continue such eco-friendly activities in the future.

Students eagerly participated the tree plant Event.

Volunteers address the importance of tree plant to the people.

Promoting drug- free Awareness at Pallavaram

A one-day awareness programme was held on 17 September 2024 at Government Higher Secondary School, Pallavaram, Tamil Nadu. The event was organized under the National Action Plan for Drug Demand Reduction (NAPDDR) and the Tamil Nadu government's "Drug-Free Tamil Nadu" initiative. Recognising the seriousness of the multi-faceted implications of the incidence of substance abuse in the country, the Ministry of Social Justice and Empowerment has been implementing the scheme of National Action Plan on Drug Demand Reduction. It provides a host of services, including awareness generation, counseling, treatment and rehabilitation of dependents (addicts). The programme emphasizes on a community-based prevention approach through educational programmes and services for drug dependent persons and their caregivers. Nearly 300 NSS volunteers participated took oath to by sating **say no drug,** they created awareness among the youngsters and witness the event to grand success.

Activity description:

The NSS (National Service Scheme) volunteer team, in collaboration with the NSS officer, organized an **Entrepreneurship Awareness Programme** at Nanmangalam to inspire and educate students and local youth about entrepreneurship opportunities. The programme aimed to promote innovation, creativity, and self-employment as viable career options.

Resource persons and experts from the entrepreneurial field were invited to share their experiences and insights on how to start and manage small-scale businesses. They discussed topics such as business planning, funding opportunities, marketing strategies, and government support schemes available for young entrepreneurs.

NSS volunteers actively participated in coordinating the event, assisting with registration, and facilitating interactive sessions. Participants were encouraged to share their business ideas and seek guidance from the speakers on how to turn them into practical ventures.

The event also included motivational talks highlighting the importance of leadership, problem-solving, and perseverance in building a successful enterprise. Pamphlets containing information about entrepreneurship development programs and financial assistance schemes were distributed to the attendees.

Through this initiative, the NSS team aimed to **create awareness, motivate youth towards self-reliance, and foster an entrepreneurial mindset** among the residents and students of Nanmangalam.

Students eagerly participated the Entrepreneurship Awareness Programme Event.

Volunteers address the importance of Entrepreneurship Awareness Programme to the people.

Date of the event : 23-09-2024

Venue : Thiruneermalai

Beneficiary : Thiruneermalai people&school students

No of student volunteers:195

Activity description:

The NSS (National Service Scheme) volunteer team, along with the NSS officer, organized a **Rally on "No to Plastics"** at Thiruneermalai to create public awareness about the harmful effects of plastic usage and to encourage the adoption of eco-friendly alternatives. The rally aimed to promote the message of reducing, reusing, and refusing plastic in daily life.NSS volunteers actively participated by holding placards and banners with slogans emphasizing the importance of a plastic-free environment. They marched through the main streets of Thiruneermalai, spreading the message to shopkeepers, residents, and passersby about the need to minimize single-use plastics.During the rally, volunteers interacted with the public, explaining how plastic pollution affects soil, water, and marine life. They also encouraged people to switch to cloth bags, paper products, and reusable containers. Pamphlets highlighting the impact of plastic on health and the environment were distributed among the local community.The event received positive support from residents and local authorities, who appreciated the efforts of the NSS team in promoting environmental responsibility.Through this initiative, the NSS volunteers aimed to **raise environmental consciousness, reduce plastic dependency, and inspire the Thiruneermalai community to move towards a cleaner, greener, and plastic-free future.**

Students eagerly participated the Rally on - NO TO PLASTICS at thiruneermalai Event.

Volunteers address the importance of NO TO PLASTICS at thiruneermalai to the people.

Activity description:

The National Service Scheme (NSS) Cell of Vels Institute of Science, Technology and Advanced Studies (VISTAS) organized a Campus Cleaning and Tree Plantation Drive on 24th and 25th September 2024 within the VISTAS campus premises.

The primary objective of this initiative was to promote environmental cleanliness and create awareness among students about the importance of maintaining a green and sustainable campus. NSS volunteers actively participated in cleaning various areas of the campus, including classrooms, pathways, and surroundings. They also planted saplings at designated spots to enhance greenery and contribute to environmental conservation.

The event was successfully coordinated under the guidance of Dr. M. Prabhakaran, NSS Programme Coordinator, along with the NSS Programme Officers, who motivated students to take part in activities that benefit both the environment and the institution.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Cleanliness Awareness Programme** in schools at Kovilambakkam to promote the importance of hygiene, sanitation, and environmental cleanliness among students. The programme aimed to instill good cleanliness habits and encourage students to take responsibility for maintaining a clean and healthy environment in their surroundings.NSS volunteers conducted interactive sessions, presentations, and demonstrations to educate students on topics such as proper waste disposal, segregation of biodegradable and non-biodegradable waste, and the harmful effects of littering. They also emphasized the importance of personal hygiene, including handwashing, clean drinking water, and maintaining cleanliness in classrooms and school premises.To make the event more engaging, volunteers organized short skits and quizzes related to cleanliness and environmental protection. Posters and slogans promoting “Clean School, Green School” were displayed to inspire students to keep their surroundings neat and tidy.The programme received enthusiastic participation from students and teachers, who pledged to support the “Swachh Bharat” initiative by maintaining cleanliness in their schools and homes.

Through this activity, the NSS team aimed to **create awareness, encourage behavioral change, and build a culture of cleanliness and responsibility among young learners in Kovilambakkam.**

Students eagerly participated the Cleanness awareness program for schools Event.

Volunteers address the importance of the Cleanness to the people.

Name oftheevent:		Entrepreneurship Awareness Programme at Nanmangalam.
Date of the event	:	18-09-2024
Venue	:	Nanmangalam
Beneficiary	:	Nanmangalam people&school students
No of student volunteers:195		

Activity description:

The NSS (National Service Scheme) volunteer team, in collaboration with the NSS officer, organized an **Entrepreneurship Awareness Programme** at Nanmangalam to inspire and educate students and local youth about entrepreneurship opportunities. The programme aimed to promote innovation, creativity, and self-employment as viable career options.

Resource persons and experts from the entrepreneurial field were invited to share their experiences and insights on how to start and manage small-scale businesses. They discussed topics such as business planning, funding opportunities, marketing strategies, and government support schemes available for young entrepreneurs.

NSS volunteers actively participated in coordinating the event, assisting with registration, and facilitating interactive sessions. Participants were encouraged to share their business ideas and seek guidance from the speakers on how to turn them into practical ventures.

The event also included motivational talks highlighting the importance of leadership, problem-solving, and perseverance in building a successful enterprise. Pamphlets containing information about entrepreneurship development programs and financial assistance schemes were distributed to the attendees.

Through this initiative, the NSS team aimed to **create awareness, motivate youth towards self-reliance, and foster an entrepreneurial mindset** among the residents and students of Nanmangalam.

Students eagerly participated the Entrepreneurship Awareness Programme Event.

Volunteers address the importance of Entrepreneurship Awareness Programme to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Lake Clean-Up Drive** in Keezhkattalai to promote environmental conservation and community participation in maintaining clean water bodies. The event aimed to raise awareness about the importance of preserving lakes and preventing water pollution.NSS volunteers, along with local residents, actively participated in removing trash, plastic waste, and other pollutants from the lake and its surroundings. They emphasized the harmful effects of water pollution on aquatic life, public health, and the local ecosystem.During the drive, volunteers also educated the community on proper waste disposal practices and the importance of avoiding littering near water bodies. Informative pamphlets and posters highlighting the benefits of a clean lake and ways to prevent pollution were distributed to residents.The clean-up drive received enthusiastic support from the community, with participants pledging to maintain the cleanliness of the lake and encourage others to adopt eco-friendly practices.Through this initiative, the NSS team aimed to **restore the natural beauty of the Keezhkattalai lake, improve local environmental health, and foster a sense of collective responsibility among the residents.**

Students eagerly participated the Lake Cleaning Event.

Volunteers address the importance of Lake Cleaning Event to the people.

Activity description:

Raising Traffic Pollution Awareness among Kovilambakkam Residents with Support from the NSS Convener.To effectively promote awareness of traffic pollution among residents in the Kovilambakkam area, the NSS (National Service Scheme) volunteer team and NSS officer can undertake the following activities: Volunteers can organize short plays or skits in public areas like markets, parks, and bus stops to educate people about the causes and effects of traffic pollution. Hold interactive sessions where NSS volunteers can address the public, highlighting the risks of traffic pollution on health and the environment. Volunteers can visit homes in the area to distribute leaflets and provide brief explanations on how residents can contribute to reducing traffic pollution. Conduct workshops for students, encouraging them to become ambassadors for cleaner air and share information with their families. Arrange seminars or discussion sessions with local resident son understanding the harmful effects of traffic.pollution and ways to mitigate it. In partnership with local authorities, volunteers can organize events that promote better traffic management, carpooling, and the use of public transport. Propose ideas like installing pollution monitors or enforcing emission checks for vehicles. Encourage residents to use bicycles or walk short distances. Volunteers can organize a cycle rally to promote non-motorized transportation options. Promote the use of public transport, carpooling, and electric vehicles through campaigns and displays in public areas. Organize tree planting activities in Kovilambakkam to reduce pollution and enhance green cover. Advocate for converting busy traffic areas into more pedestrian-friendly zones with greener spaces.NSS volunteers can run online awareness campaigns through social media platforms like Whats App, Face book, and Instagram to reach a wider audience. Sharing short videos, info graphics, and facts about traffic pollution can help amplify the message.

Students eagerly participated the traffic awareness Event.

Volunteers address the importance of traffic awareness to the people.

Date of the event : 23-09-2024

Venue : Thiruneermalai

Beneficiary : Thiruneermalai people&school students

No of student volunteers:195

Activity description:

The NSS (National Service Scheme) volunteer team, along with the NSS officer, organized a **Rally on "No to Plastics"** at Thiruneermalai to create public awareness about the harmful effects of plastic usage and to encourage the adoption of eco-friendly alternatives. The rally aimed to promote the message of reducing, reusing, and refusing plastic in daily life.NSS volunteers actively participated by holding placards and banners with slogans emphasizing the importance of a plastic-free environment. They marched through the main streets of Thiruneermalai, spreading the message to shopkeepers, residents, and passersby about the need to minimize single-use plastics.During the rally, volunteers interacted with the public, explaining how plastic pollution affects soil, water, and marine life. They also encouraged people to switch to cloth bags, paper products, and reusable containers. Pamphlets highlighting the impact of plastic on health and the environment were distributed among the local community.The event received positive support from residents and local authorities, who appreciated the efforts of the NSS team in promoting environmental responsibility.Through this initiative, the NSS volunteers aimed to **raise environmental consciousness, reduce plastic dependency, and inspire the Thiruneermalai community to move towards a cleaner, greener, and plastic-free future.**

Students eagerly participated the Rally on - NO TO PLASTICS at thiruneermalai Event.

Volunteers address the importance of NO TO PLASTICS at thiruneermalai to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Stress Management Program** for school students in Thiruneermalai to create awareness about mental well-being and coping strategies. The program aimed to help students manage academic and personal stress effectively and develop a healthy mindset.The session included interactive discussions and activities conducted by NSS volunteers and invited experts. Students were introduced to techniques such as time management, relaxation exercises, deep breathing, and mindfulness practices to reduce stress. They were also guided on maintaining a balanced lifestyle, including proper sleep, nutrition, and regular physical activity.Volunteers engaged students in group activities and role plays to help them recognize stress triggers and practice coping strategies. Pamphlets and visual aids highlighting stress management tips were distributed for students to refer to at home and school.The program received an enthusiastic response from students, who actively participated in exercises and discussions, showing interest in applying the stress management techniques in their daily lives.Through this initiative, the NSS team aimed to **enhance the mental well-being of students, equip them with practical stress management skills, and foster a positive and supportive school environment in Thiruneermalai.**

Students eagerly participated the awareness Event.

Volunteers address the importance of stress awareness to the people.

Activity description:

To promote environmental awareness and contribute to a greener community, the NSS (National Service Scheme) volunteer team and NSS officer organized a **Tree Plantation Drive** in the Thiruneermalai area. The event aimed to increase green cover, enhance air quality, and encourage residents to take an active role in environmental conservation.NSS volunteers, along with local residents and students, participated enthusiastically in planting saplings across key locations such as roadsides, parks, and public spaces. Volunteers explained the importance of trees in maintaining ecological balance and encouraged the public to take responsibility for nurturing the planted saplings.Workshops were also conducted in nearby schools to motivate students to become “Green Ambassadors” and care for the environment. Leaflets highlighting the benefits of tree planting—such as reducing pollution, providing shade, and conserving biodiversity—were distributed among residents.In collaboration with local authorities, suitable areas were identified for planting native tree species that can thrive in the local climate. NSS volunteers also pledged to monitor and water the saplings regularly to ensure their growth and survival.Through this initiative, the NSS team aims to **create a cleaner, greener, and more sustainable Thiruneermalai**, inspiring the community to continue such eco-friendly activities in the future.

Students eagerly participated the tree plant Event.

Volunteers address the importance of tree plant to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, along with the NSS officer, organized a **Tree Sapling Plantation Drive** in collaboration with the residents of the Kovilambakkam area. The event aimed to promote environmental awareness, increase green cover, and encourage community participation in protecting nature.Residents, students, and NSS volunteers actively took part in planting various saplings along roadsides, school premises, and community parks. Volunteers explained the significance of trees in maintaining ecological balance, reducing air pollution, and providing shade and oxygen.The drive also focused on educating participants about the selection of native plant species that require minimal maintenance and grow well in the local climate. Each participant was encouraged to take responsibility for nurturing the sapling they planted.Informative pamphlets on the benefits of tree planting and environmental conservation were distributed among the local community. The event received positive support from residents, local authorities, and school children, reflecting a strong sense of collective responsibility toward environmental protection.Through this initiative, the NSS team and Kovilambakkam residents aimed to **create a cleaner, greener, and healthier community while spreading the message of sustainable living.**

Students eagerly participated the Tree Sapling Plantation Event.

Volunteers address the importance of Tree Sapling Plantation to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized an **Awareness Programme on Carbon Dioxide (CO_2) Emission** to educate the public about the causes, effects, and preventive measures related to rising carbon emissions. The event aimed to promote environmental responsibility and encourage sustainable living practices among the community.NSS volunteers conducted awareness sessions in public places, highlighting how excessive carbon dioxide emissions contribute to global warming, climate change, and air pollution. They explained the major sources of CO_2 such as vehicles, industries, and household energy consumption, and suggested eco-friendly alternatives like using public transport, adopting renewable energy, and planting more trees.Pamphlets and posters with key messages on reducing carbon footprint were distributed to residents, shopkeepers, and commuters. Volunteers also engaged in one-on-one interactions, encouraging people to switch to energy-efficient appliances and reduce unnecessary fuel usage.The programme received an active response from the public, with many expressing their willingness to take small but consistent steps toward reducing carbon emissions.Through this initiative, the NSS team aimed to **increase awareness about environmental sustainability, reduce carbon footprints, and inspire collective action for a cleaner and greener future.**

.

Volunteers address the importance of carbon emissions to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Plastic Waste Shramdaan** in the Kovilambakkam area to create awareness about the harmful effects of plastic pollution and to actively clean the neighborhood. The event aimed to promote community participation in waste management and encourage environmentally responsible behavior.NSS volunteers, along with local residents, collected plastic waste from streets, public spaces, and residential areas. They demonstrated proper segregation of recyclable and non-recyclable plastic materials and shared tips on reducing plastic usage in daily life. Residents were educated on alternatives to single-use plastics, such as cloth bags, paper products, and reusable containers.Informative posters and pamphlets highlighting the impact of plastic on the environment and human health were distributed to households and shopkeepers. The volunteers also emphasized the importance of continuing the practice of responsible waste disposal and recycling.The Shramdaan received a positive response from the community, with many residents participating actively and pledging to minimize plastic usage in the future.Through this initiative, the NSS team aimed to **clean the surroundings, reduce plastic pollution, and foster a sustainable, eco-friendly environment in Kovilambakkam.**

Students eagerly participated the awareness Event.

Volunteers address the importance of awareness to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Street Sweeping Service Awareness Programme** in the Kovilambakkam area to educate residents about the importance of maintaining clean streets and proper waste disposal. The event aimed to encourage community participation in keeping the neighborhood hygienic and healthy.NSS volunteers visited different streets, engaging with local residents and shopkeepers to explain the significance of street cleaning services and how residents can cooperate by disposing of waste responsibly. They highlighted the negative effects of littering, such as blocked drains, increased pollution, and the spread of diseases.Demonstrations were conducted on proper segregation of biodegradable and non-biodegradable waste, and pamphlets with tips for maintaining clean surroundings were distributed to households. Volunteers also encouraged residents to report clogged drains or uncollected waste to local authorities to ensure timely cleaning.The programme received enthusiastic participation from the community, with many residents expressing their commitment to keeping their streets clean and supporting the municipal cleaning initiatives.Through this activity, the NSS team aimed to **raise awareness about hygiene, promote active citizen participation, and foster a cleaner and healthier Kovilambakkam community.**

Students eagerly participated the **Street Sweeping** awareness Event.

Volunteers address the importance **Street Sweeping** awareness to the people.

Activity description:

The National Service Scheme (NSS) Cell of Vels Institute of Science, Technology and Advanced Studies (VISTAS), in association with Royapettah Government Hospital, ESIC Government Hospital, Vels Medical College Hospital, and Kings Lion Super King NGO, organized a Blood Donation Special Camp on 04.10.2024 at the VISTAS Campus, Pallavaram, Chennai – 117, in commemoration of our Honourable Chairman Sir's Birthday.

The camp aimed to encourage voluntary blood donation and promote awareness about the importance of saving lives through such humanitarian acts. A large number of students, faculty members, and staff enthusiastically participated in the event. Medical teams from the associated hospitals efficiently managed the collection and ensured proper procedures were followed.

The camp was coordinated under the guidance of Dr. M. Prabhakaran, NSS Programme Coordinator, along with the NSS Programme Officers. The event was a grand success, reflecting the spirit of service and compassion that NSS and VISTAS stand for.

Activity description:

The National Service Scheme (NSS) Cell of Vels Institute of Science, Technology and Advanced Studies (VISTAS) organized the "SWACHH HI SEVA 2024 – Mini Marathon" on 16th September 2024 at the VISTAS campus, Pallavaram.

The event aimed to spread awareness about cleanliness, hygiene, and environmental responsibility among students and the local community. The mini marathon began at the VISTAS campus and covered nearby areas, promoting the message of "Clean India, Healthy India."

A large number of NSS volunteers enthusiastically participated in the event, carrying placards and chanting slogans emphasizing the importance of cleanliness and civic responsibility. The event encouraged public participation in maintaining clean surroundings and supported the Government's Swachh Bharat Mission.

The programme was successfully conducted under the guidance of Dr. M. Prabhakaran, NSS Programme Coordinator, and NSS Programme Officers, with the active support of faculty members and student volunteers.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Stress Management Program** for school students in Thiruneermalai to create awareness about mental well-being and coping strategies. The program aimed to help students manage academic and personal stress effectively and develop a healthy mindset.The session included interactive discussions and activities conducted by NSS volunteers and invited experts. Students were introduced to techniques such as time management, relaxation exercises, deep breathing, and mindfulness practices to reduce stress. They were also guided on maintaining a balanced lifestyle, including proper sleep, nutrition, and regular physical activity.Volunteers engaged students in group activities and role plays to help them recognize stress triggers and practice coping strategies. Pamphlets and visual aids highlighting stress management tips were distributed for students to refer to at home and school.The program received an enthusiastic response from students, who actively participated in exercises and discussions, showing interest in applying the stress management techniques in their daily lives.Through this initiative, the NSS team aimed to **enhance the mental well-being of students, equip them with practical stress management skills, and foster a positive and supportive school environment in Thiruneermalai.**

Students eagerly participated the awareness Event.

Volunteers address the importance of stress awareness to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, along with the NSS officer, organized a **Tree Sapling Plantation Drive** in collaboration with the residents of the Kovilambakkam area. The event aimed to promote environmental awareness, increase green cover, and encourage community participation in protecting nature.Residents, students, and NSS volunteers actively took part in planting various saplings along roadsides, school premises, and community parks. Volunteers explained the significance of trees in maintaining ecological balance, reducing air pollution, and providing shade and oxygen.The drive also focused on educating participants about the selection of native plant species that require minimal maintenance and grow well in the local climate. Each participant was encouraged to take responsibility for nurturing the sapling they planted.Informative pamphlets on the benefits of tree planting and environmental conservation were distributed among the local community. The event received positive support from residents, local authorities, and school children, reflecting a strong sense of collective responsibility toward environmental protection.Through this initiative, the NSS team and Kovilambakkam residents aimed to **create a cleaner, greener, and healthier community while spreading the message of sustainable living.**

Students eagerly participated the Tree Sapling Plantation Event.

Volunteers address the importance of Tree Sapling Plantation to the people.

Activity description:

The National Service Scheme (NSS) Cell of Vels Institute of Science, Technology and Advanced Studies (VISTAS) in association with the International Lions Club (Dist. 324L), Chennai, organized an Eye Camp, Dental Camp, and Seminar on Peace and the Importance of Eye Care on 08/10/2024 at Nanmangalam.

The event aimed to promote health awareness, preventive care, and the value of peaceful living among students and the community. Qualified medical professionals from the Lions Club conducted eye and dental screenings, providing free check-ups, consultations, and advice on oral and visual health.

Following the medical camps, a Peace Awareness Seminar was held, emphasizing the importance of maintaining inner harmony and social responsibility. NSS volunteers actively assisted in organizing, guiding beneficiaries, and ensuring smooth coordination of the event.

The program was successfully conducted under the guidance of Dr. M. Prabhakaran, NSS Programme Coordinator, and NSS Programme Officers. The joint effort with the Lions Club greatly benefited the participants, spreading both medical and moral awareness among the community.

Activity description:

The National Service Scheme (NSS) of Vels Institute of Science, Technology and Advanced Studies (VISTAS) organized a Fire Safety Awareness Programme on 10.10.2024 at VISTAS, with the active participation of NSS student volunteers. The event aimed to educate students and staff on fire prevention, emergency response, and the proper use of firefighting equipment.

The session was conducted by fire safety officers and experts, who demonstrated various fire control techniques and explained the importance of maintaining safety protocols in public and institutional spaces. Volunteers actively interacted with the trainers and learned practical safety measures to handle fire emergencies.

The program was coordinated under the guidance of Dr. M. Prabhakaran, NSS Programme Coordinator, along with NSS Programme Officers. The event successfully enhanced awareness and preparedness among students, promoting a culture of safety and responsibility.

Event Report

Date:12-10-2024

Name oftheevent: Awareness on carbon dioxide Emission among public.

Date of the event : 11-10-2024

Venue : Kovilambakkam

Beneficiary : Kovilambakkam people&school students

No of student volunteers:179

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized an **Awareness Programme on Carbon Dioxide (CO_2) Emission** to educate the public about the causes, effects, and preventive measures related to rising carbon emissions. The event aimed to promote environmental responsibility and encourage sustainable living practices among the community.NSS volunteers conducted awareness sessions in public places, highlighting how excessive carbon dioxide emissions contribute to global warming, climate change, and air pollution. They explained the major sources of CO_2 such as vehicles, industries, and household energy consumption, and suggested eco-friendly alternatives like using public transport, adopting renewable energy, and planting more trees.Pamphlets and posters with key messages on reducing carbon footprint were distributed to residents, shopkeepers, and commuters. Volunteers also engaged in one-on-one interactions, encouraging people to switch to energy-efficient appliances and reduce unnecessary fuel usage.The programme received an active response from the public, with many expressing their willingness to take small but consistent steps toward reducing carbon emissions.Through this initiative, the NSS team aimed to **increase awareness about environmental sustainability, reduce carbon footprints, and inspire collective action for a cleaner and greener future.**

.

Volunteers address the importance of carbon emissions to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Lake Clean-Up Drive** in Keezhkattalai to promote environmental conservation and community participation in maintaining clean water bodies. The event aimed to raise awareness about the importance of preserving lakes and preventing water pollution.NSS volunteers, along with local residents, actively participated in removing trash, plastic waste, and other pollutants from the lake and its surroundings. They emphasized the harmful effects of water pollution on aquatic life, public health, and the local ecosystem.During the drive, volunteers also educated the community on proper waste disposal practices and the importance of avoiding littering near water bodies. Informative pamphlets and posters highlighting the benefits of a clean lake and ways to prevent pollution were distributed to residents.The clean-up drive received enthusiastic support from the community, with participants pledging to maintain the cleanliness of the lake and encourage others to adopt eco-friendly practices.Through this initiative, the NSS team aimed to **restore the natural beauty of the Keezhkattalai lake, improve local environmental health, and foster a sense of collective responsibility among the residents.**

Students eagerly participated the Lake Cleaning Event.

Volunteers address the importance of Lake Cleaning Event to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Street Sweeping Service Awareness Programme** in the Kovilambakkam area to educate residents about the importance of maintaining clean streets and proper waste disposal. The event aimed to encourage community participation in keeping the neighborhood hygienic and healthy.NSS volunteers visited different streets, engaging with local residents and shopkeepers to explain the significance of street cleaning services and how residents can cooperate by disposing of waste responsibly. They highlighted the negative effects of littering, such as blocked drains, increased pollution, and the spread of diseases.Demonstrations were conducted on proper segregation of biodegradable and non-biodegradable waste, and pamphlets with tips for maintaining clean surroundings were distributed to households. Volunteers also encouraged residents to report clogged drains or uncollected waste to local authorities to ensure timely cleaning.The programme received enthusiastic participation from the community, with many residents expressing their commitment to keeping their streets clean and supporting the municipal cleaning initiatives.Through this activity, the NSS team aimed to **raise awareness about hygiene, promote active citizen participation, and foster a cleaner and healthier Kovilambakkam community.**

Students eagerly participated the **Street Sweeping** awareness Event.

Volunteers address the importance **Street Sweeping** awareness to the people.

Activity description:

The NSS (National Service Scheme) volunteer team, under the guidance of the NSS officer, organized a **Plastic Waste Shramdaan** in the Kovilambakkam area to create awareness about the harmful effects of plastic pollution and to actively clean the neighborhood. The event aimed to promote community participation in waste management and encourage environmentally responsible behavior.NSS volunteers, along with local residents, collected plastic waste from streets, public spaces, and residential areas. They demonstrated proper segregation of recyclable and non-recyclable plastic materials and shared tips on reducing plastic usage in daily life. Residents were educated on alternatives to single-use plastics, such as cloth bags, paper products, and reusable containers.Informative posters and pamphlets highlighting the impact of plastic on the environment and human health were distributed to households and shopkeepers. The volunteers also emphasized the importance of continuing the practice of responsible waste disposal and recycling.The Shramdaan received a positive response from the community, with many residents participating actively and pledging to minimize plastic usage in the future.Through this initiative, the NSS team aimed to **clean the surroundings, reduce plastic pollution, and foster a sustainable, eco-friendly environment in Kovilambakkam.**

Students eagerly participated the awareness Event.

Volunteers address the importance of awareness to the people.

The key outcomes

- Shift to Plant-Based & Alternative Proteins – Environmental and ethical concerns are driving rapid growth in plant-based meats, lab-grown proteins, and fermentation-derived ingredients.
- The alternative-protein market is projected to expand significantly in 2025, with chickpea-pasta, pea-protein burgers, and jackfruit “pulled pork” becoming mainstream
- High-fiber foods (legumes, whole grains, berries) remain a top trend due to proven health benefits like improved digestion, blood-sugar control, and cholesterol reduction. Brands are innovating with oat-based smoothies, fiber-enriched bars, and plant-based cereals. The pivotal role of better animal welfare in societal development
- Impact of animal agriculture and factory farming
- Transitioning towards plant-based diets for a better tomorrow.
